Parent Roles and Responsibilities

- Establish daily routines and expectations.
- Define the physical space for your child’s study. (It is not recommended to leave students in a room unattended)
- Monitor communications for your child’s teacher.
- Begin each day with a check-in. (LMS, homeroom attendance)
- Take an active role in helping your child process his/her learning.
- Establish times for quiet and reflection.
- Encourage physical activity and/or exercise.
- Remain mindful of your child’s stress or worry.
- Monitor how much time your child is spending in front of a screen.
- Keep your child social but set rules around social media interactions.

Who to contact?

Important Reminder:

For the privacy of our students and teachers, parents and students are not permitted to repost any video content posted by your SJVS teachers. All videos created as a part of our distance learning during this period are deemed proprietary and available only to our SJVS community. Please respect the academic integrity of our faculty and the privacy of students by avoiding sharing virtual lessons on social media or personal websites. All school-owned iPad or Chromebook should continue to be used by students for academic purposes only. Student iPad cameras should also be used for academic purposes only.
